

**Welcome** to this week's bulletin with the following message...

**THANK YOU** On behalf of the PCC and myself, we would like to extend our thanks to the parishioners using the yellow gift aid envelopes, who responded to our appeal to continue their giving to the churches during the COVID crisis. This has been greatly appreciated, especially as it may be sometime before the churches are able to open for regular Sunday worship. If there is anyone else who would like to contribute and has not yet managed to do so, please feel free to contact either Sandra Kemp or the Parish Office for spare envelopes.

Many thanks Linda Dunning (Treasurer)

Also we have a piece of good news, please see the following from Phil Chapman (St. Georges Church)... Do you remember Jihyun Moon who was a youth worker in the Parish back in 2008? She married in March 2019 and now has just given birth to a beautiful daughter, Ruah. Ruah weighed 2.91kg and both mother and baby are doing well.

Thank you Lord.

It is so lovely to share the joy of good news, especially new life! When we had our daughter Hannah, we were very worried having lost our first baby and so I prayed and put the baby's life into Gods hands, I remember praying for God to name the baby and effectively giving the baby to him, which may sound slightly strange! The name Hannah came into my mind, a name I had never thought to use before, I rushed home to tell my husband, he liked the name and we looked it up in our baby book. Hannah means Gods gift and she definitely is that!

I Hope you can all have a good week, enjoy and look out for gifts from God! Praise the Lord for all his blessings! Amen.
